PWX IS FAST APPROACHING-We need your help!

It seems like just a few months ago that APWA selected the AZ Chapter to host PWX 2027 and now we are 18 months away from hosting this international conference with 6,000-7,000 people coming to the Phoenix Convention Center. If you can spare a few minutes a week helping prepare, would like to sign up for a committee, or sign up now to volunteer for the event, we could really use your help. If you know of sponsors that could assist us with our fundraising objectives, that would be awesome as well.

Thank you to our PWX PHX Chairs, Conference Committee Co-Chairs, and our Chapter Board Members for all you have done so far to get us to PWX 2027.

APWA NATIONAL UPDATES

Marketing and Communications

IT'S TIME TO ORDER YOUR 2026 NATIONAL PUBLIC WORKS WEEK (NPWW) POSTER!

We're excited to reveal this year's theme "Rooted in Service, Powered by Community" for National Public Works Week, May 17–23. The roots of service run deep in public works. It's what has propelled public works innovations that have helped our communities evolve into places where people can lead lives of purpose and possibility.

Some work is highly visible, while other public works contributions are sometimes hidden from view. Together, these efforts form the foundation of thriving communities, reminding us that every project, seen or unseen, powers the connection between service and the people it supports.
