

PWX2027 Sponsorship

Connecting Communities, Powered by Arizona

2027 APWA Public Works Exposition

Phoenix, AZ

In 2027, the Arizona Chapter of the American Public Works Association will host the American Public Works Association (APWA) Public Works Exposition (PWX). More than 5,500 public works industry professionals from all over the world will come together for four days of extensive educational programming, workshops, viewing an enormous expo floor, and networking. They will learn about the latest innovations, exchange ideas, and develop new business relationships. There are several activities that the Arizona Chapter supports during PWX. Some of them are the “Get Acquainted Party”, the hospitality booth, the sports events, the technical tours, and not to mention the 400 plus volunteers to make things run smoothly.

We would like you and your Organization to help make this all happen by sponsoring the Arizona Chapter in this endeavor. Should you decide to become a Sponsor, recognition for your organization will be provided based on the Sponsorship Levels identified below.
